

Big Valley Band of Pomo Indians of the Big Valley Rancheria
Individual and Family COVID-19 Personal Protective Equipment Application

This program is being offered to aid with Personal Protective Equipment to individuals and families that have been affected by the COVID-19 public health emergency. With the mask mandate for indoor activities such as work, school, and shopping we can assist our tribal members with a P.P.E. stipend. The maximum amount of assistance that may be received through this program is as follows: \$250.00 for **ALL ENROLLED** BVR tribal members. Married couples that are both enrolled members of Big Valley only need to fill out one application. We want to ensure that all BVR members get this assistance as soon as possible. To do that, we have opened up the application.
